It is my intention to participate in the 500-Hour Teacher Training Program beginning on _____. I plan to complete the required courses listed herein on or around _____. As I am making a commitment at this time to complete the full program, I understand that I am eligible to participate in a payment plan at the rates shown on the attached program. I plan to attend the classes listed on the schedule for year _____.

The Cost of the classes listed in this agreement cover only the cost of providing instruction at the time scheduled. It does not cover the cost of books and other course materials, optional classes offered during the year, study groups, or private sessions received as required for program certification.

I also understand and agree to the following policies and procedures:

Deposits for class will hold a space for the participant. \$50 deposit required. Final Payments are due on the day that the class is offered. The cost of an 8 hour class is \$130 for students not enrolled to take the entire program, and \$115 for enrollees.

Missed Class Policy: If the student is unable to attend a class, it is the student's responsibility to notify the school 24 hours prior to class. Deposits will not be refunded if student does not show up for class without notice. Yoga & Polarity Center will be responsible for keeping transcripts for students who participate in the 500 hour program. Students will be responsible for arranging to complete 210 classroom hours within a three-year period, along with the requirements for their own off-site teaching and practice.

Cancellation Policy: If the student is unable to complete the program for any reason, the student will owe the Full Cost of each class already taken, (at the rate of \$130 per day) plus a \$25 processing fee.

If the amount the student has paid exceeds the amount of cost of classes taken, a refund will be issued. This policy does not include costs paid for books, private sessions, or classes that were missed without advance notice. Classes missed without notice (when student has already signed up) will be charged to the student's account at final review.
