It is my intention to participate in Associate Polarity Practitioner Training Program beginning on _____, I plan to complete the required courses listed herein on or around _____. As I am making a commitment at this time to complete the full program, I understand that I am eligible to participate in a payment plan at the rates shown on the attached program. I plan to attend the classes listed on the schedule for year _____.

The cost of the classes listed in this agreement cover only the cost of providing instruction at the time scheduled. It does not cover the cost of books and other course materials, optional classes offered during the year, study groups, or private sessions received as required for program certification.

I also understand and agree to the following policies and procedures:

Payments are due on the 1st day of the month. Late payments are subject to a \$25 processing fee. If a payment is more than one month overdue, then the student will not be able to amend further classes until payments are brought current.

Missed Class Policy:

Missed Class Policy: If the student is unable to attend a class, it is the student's responsibility to notify the school/studio prior to the start date of the class and make an arrangement to make up the class.

- Financial policies regarding missed classes are as follows:
- -APP make up classes are \$125 flat rate per student (does not matter if it's 3 hrs or full day, the same rate applies)
- -Payment is made directly to teacher(s) of make up class
- -Weekend class (i.e. Polarity 1) make-up is 1 full day (10AM-5PM or equivalent 7 hrs)
- -Individual (1) day make up class is approximately 3 hrs

- -Make up classes are to be completed **prior to the next module**. For example, if you miss Polarity 2 class on “Air” element, you must make up “Air” element class before moving on to “Ahimsa in Communication ” module

Each student may miss no more than 3 days in the program, and must be present for entire practicum scheduling. Each class missed must be made up with the teacher of that class, and the teacher will charge \$90.00 per hour of tutoring. A make-up session will generally last no more than an hour, but must be made up before completion of the program.

Cancellation Policy: If the student is unable to complete the program for any reason, the student will owe the Full Cost of each class already taken, (the rate of \$1 per day) plus a \$25 processing fee).

Program Cost and Payment: The full cost of the Program is \$3025. There is a non-refundable \$325 deposit, and then you will be billed \$300 per month for 9 months beginning September 10 through and including May. You will arrange with your paying agent the method of payment. If you are paying through the Yoga & Polarity Center, Inc., you will be charged monthly on your credit card.

This policy does not include costs paid for books, private sessions, or classes that were missed without notice in advance. Classes missed without notice will be charged to the student's account at final review.
